### A partnership to your advantage

First Option Credit Union has partnered with Tyro Payments to offer you the benefit of your existing and trusted banking relationship bundled with state of the art EFTPOS technology.

### An array of different clients

As Australia's only technology based Merchant Services Provider, Tyro supplies more than 10,000 businesses - including some of the best know brands such as Airport Duty Free, Cab Fare, Chanel, Jaycar, Mecca Cosmetics, Nando's, Readings Books, Sonoma Bakeries, Toyota, Urban Purveyor Group and Westfield - with secure and reliable EFTPOS.

Processing more than \$5 billion in EFTPOS transactions annually Tyro is one of the fastest growing companies in Australia.

### High prudential standards

Regulated and audited by the Australian Prudential Regulatory Authority (APRA), Tyro meets the financial services industry's high technical and prudential standards, i.e. PCI and APCA.

### First Option Credit Union

First Option Credit Union is a well established provider of banking and financial services, with customers spanning the leisure, hotel, telecommunications and petrochemical industries.

EFTPOS?

# Easier, faster and safer payments for your business

## Fast, efficient and secure EFTPOS

First Option Credit Union has partnered with Tyro Payments to offer breakthrough payment processing solutions which improve the way you process transactions.

## Taylored to your needs

Tyro EFTPOS terminals integrate with the market leading POS systems delivering fast and accurate card payments processing tailored to the specific needs of your business.

## “Lightning Fast” transaction speed

Tyro’s cloud technology gives you several communication options to quickly and easily process transactions.

You can choose from broadband, WiFi or 3G for transaction speed of less than 3 seconds.

## Secure and reliable solution

Tyro’s reliable terminals can automatically switch between two secure live-live data centres to avoid disruptions commonly encountered with other financial institutions.

Tyro’s solution is the only one in Australia that is PCI PA-DSS certified, protecting you against data breach.

## Seamless funds settlement

Tyro’s partnership with First Option Credit Union guarantees timely and seamless settlement of funds into your existing Credit Union account.
