Product profile

Introduction

First Option's Online Statement service is the fast and secure way to receive your statements. You are notified via email that your Statement is ready for viewing, then simply log in to Internet Banking (IB) to access it.

Features

The features of Online Statements make them far superior to both E-Statements and paper statements, as they give you greater security, flexibility and control.

- Statements are stored on a highly secure system – much safer than your PC or filing cabinet
- Access your statements 24 x 7 from anywhere in the world
- View your previous statements in one location, saving you time
- You can still print a hard copy of your Statement for those times when you may need it

Benefits

There are a huge number of benefits in using Online Statements compared to paper statements:

- ✓ Receive statements sooner than via "snail mail" so you can check your statements earlier
- ✓ By accessing your statements via IB you don't need to remember a separate code* or have specific software on your PC, apart from PDF reading software
- ✓ Unauthorised interception of paper statements is prevented, giving you peace of mind
- ✓ View your Online Statements when and where it is convenient for you
- ✓ By saving on paper, Online Statements are environmentally friendly

* Excluding business accounts.

Switching to Online Statements is easy!
