Dear Mr Windross

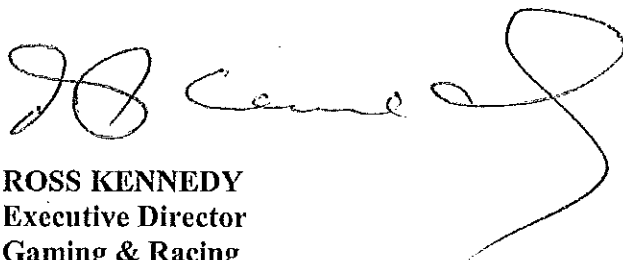

### **PUBLICATION OF REPORT ON WEBSITE**

Thank you for your letter dated 10 June 2010 regarding the Report of the Royal Commissioner appointed to inquire into Off-The-Course Betting 1959.

I have noted your information about the TABLET website, with its aim to add to the history of off-course totalisator betting in New South Wales, and your request that this report be published among the historical documents available on this site.

I am pleased to advise that I am not aware of any impediment to this report being posted on your website.

Yours sincerely

**ROSS KENNEDY**
